

COMMUNITY IMPACT REPORT

2022-2023 SCHOOL YEAR

"Adopt A Class has significantly transformed BGR's culture by fostering a sense of community and social responsibility. Employees now have the opportunity to connect with local schools and provide mentorship to students, creating a meaningful impact in their lives. This initiative has not only strengthened employee engagement and teamwork but has also instilled a greater sense of purpose and pride in our organization."

74% of Mentors agree that they have a deeper connection to their employer because of their involvement with Adopt A Class and their experience in the classroom

76% of Students reported that because of Adopt A Class and their mentors they understand the connection between schoolwork and a successful career

90% of school leadership agreed that students gained a greater awareness of what they can do in the future and what it takes to get there as a result of AAC and their mentors

Adopt A Class partnered with three local Cincinnati institutions - [Cincinnati Museum Center](#), [Cincinnati State Technical & Community College](#), and [University of Cincinnati](#) - to offer 5th-8th grade students, across schools we serve, the chance to learn about innovation and post high school college and career opportunities.

A follow up survey indicated there was a **32.7% increase** in 6th grade student interest in learning more about Cincinnati State and a **27.3% increase** overall in 6th grade student's interest in attending college after high school.

Did you know? Adopt A Class is celebrating our 20th anniversary and we'd love for you to celebrate with us. Consider increasing your impact by adding an additional mentor team for the 2023-2024 school year or making a financial contribution meaningful to your organization.
