

Each year, the Cincinnati State Alumni Association Board presents the Distinguished Alumni Award during the Commencement Ceremony.

We need your help in identifying individuals who would be good candidates for the Cincinnati State Distinguished Alumni Award.

Who would be a good candidate?

It could be an alumnus who has been very successful in their career. Or perhaps she or he has made significant contributions to society.

In either case, it would be someone with notable accomplishments who is worthy of respect, and who honors Cincinnati State's legacy as a community college.

Many of our graduates achieve great success with the degree they earned at Cincinnati State.

Many others start their higher education at Cincinnati State, go on to earn additional degrees at one or more universities, and succeed from there. While they are often associated with the university they attend, many will say that none of their success would be possible without Cincinnati State.

We know they are out there, in many fields, and in many places across the country.

We need your help in giving them the recognition they deserve. Please give it some thought. We hope you will find this to be an enjoyable request that leaves you even more proud of Cincinnati State.

Please use the attached Nomination Form to submit nominations.

- Anyone may submit a nomination for someone who earned a degree or a certificate from Cincinnati State.
