SPARK Series: Navigating AI in Higher Education

This SPARK session will delve into the dynamic intersection of Artificial Intelligence and Higher Education. In this engaging workshop, we will explore strategies for instructors to harness the full potential of AI in their teaching methodologies, ensuring an enriched and innovative learning experience. After attending the session participants will be able to:
- Identify at least three practical applications of AI tools in their specific academic discipline
- Design a lesson plan or project that incorporates AI to enhance student learning
- Discuss, analyze, and evaluate potential ethical challenges in AI integration
