

TriHealth COVID-19 Vaccine Clinic

Now that it's your turn, do it for all of us!

TriHealth is proud to be your partner in care. We look forward to helping the Greater Cincinnati community move through this pandemic and safeguarding the health and well-being of our patients and team members.

On the day of the vaccine:

Minors age 16 and 17 who are receiving the vaccines must be accompanied by a parent or guardian.

Insurance Card: There is no out-of-pocket cost for receiving the vaccine. However, you will be asked for your insurance information.

Driver's License: Your drivers' license or a form of identification will be required to receive the vaccine.

If you receive a COVID-19 vaccine that requires two doses, your second dose will be scheduled during your vaccine appointment. The dose appointments will follow at the same location approximately 28 days after the first dose.

The clinic at Cincinnati State will provide the Johnson & Johnson one-shot vaccine

TriHealth is bringing a COVID-19 Vaccination Clinic to your location!

Thursday, May 20, 2021

12:00 p.m. – 4:00 p.m.

Cincinnati State Health Professions
Building, 2nd floor Nursing Skills Lab
